This is a tender notice only. In order to submit a bid, you must obtain official tender documents from the New Brunswick Opportunities Network, another authorized tendering service or as indicated in the tender notice.

No right or duty, in whole or in part, of the vendor under a contract issued may be assigned or delegated without the prior consent of the Central Purchasing Branch.

Unless the Central Purchasing Branch has determined otherwise prior to tender closing, all prices must be extended and totalled.

Award of contracts: no contract shall be awarded and no payment shall be made to a vendor unless authorized by the Minister or his delegates. The Minister may make an award to the preferred vendor conditional on the negotiation and acceptance of a detailed contract between the Province and the vendor. In such cases, should the detailed contract negotiations not be completed in a reasonable period of time, the Province reserves the right to discontinue negotiations with the vendor and subsequently enter into negotiations with the second preferred vendor.

Payment of invoices is the responsibility of the department or organization to whom the goods are shipped or services are supplied.

All discounts quoted will be considered to be without limitations.

The Atlantic Provinces Standard Terms & Conditions for Goods and Services apply to this procurement and are considered to be incorporated into this document. By submitting a bid, you agree and accept these terms and conditions. Current "Atlantic Provinces Standard Terms and Conditions" are available on the New Brunswick Opportunities Network, the Council of Atlantic Premiers' Website or from an authorized service provider.

A bidder must obtain official bid documents from a distribution service, authorized by the Minister of Supply and Services, in order to submit a bid. The current authorized distribution services are the **New Brunswick Opportunities Network**

(NBON) (operated by the Department of Supply and Services, Province of NB), **BIDS** (operated by Tender Publications Ltd.) and **MERX** (operated by Mediagrif Interactive Technologies). Failure to submit the official bid documents or provide proof that the official bid documents were properly obtained will result in rejection of the bid. In order to facilitate the evaluation process, Bidders are requested to respond in the same format as the official bid documents.

For procurements which are not subject to the provisions of one or more of the interprovincial procurement agreements, the Province of New Brunswick reserves the right to apply Provincial or regional Preferences, consider local content in the evaluation of bids and/or refuse to consider bids from vendors from other jurisdictions when it is considered to be in the best interests of the Province. When determining the use of these conditions, the Province will consider, among other factors, the extent to which New Brunswick vendors have access to equivalent procurement opportunities in those jurisdictions and the treatment accorded by those jurisdictions to bids from New Brunswick vendors. The Province will be the sole judge of whether these conditions will be used and the extent to which they will be applied.
